- Administrative Clinical Discharges
- A Summary Table of Required Sections for Administrative Reassessments and Administrative Discharges

In the NOMS Question-By-Question Instruction Guide see pages 8-11 for detailed information.

#### **Administrative Reassessments**

- An administrative reassessment should be entered in SPARS by program staff when:
  - You are unable to find or connect with a student to conduct the reassessment interview with the required time period or
  - You contacted the student, but they refuse to participate in the reassessment interview.
- Administrative Reassessments— should be entered into SPARS within 30-days of the interview due date.

Administrative Reassessment Interview Guidance provides detailed information.

#### **Administrative Reassessments**

- NOMS sections to complete include:
  - Record Management For question 2 (Was the interview conducted?), select No and choose the reason why not.
  - Sections I. Reassessment Status

(Note- For question 2 (Have you or other grant staff had contact with the consumer within 90-days of the last encounter?), if you select No this indicates that the episode of care had ended. No need to do a clinical discharge.)

- Sections K. Services Received
- Unfortunately, Administrative Reassessments do not count toward your reassessment interview rate.
