Fidelity Measures

This section provides instructions for conducting the Fidelity Measures that are entered into the Results Report

Fidelity Measures for the SHPG

Introduction and Purpose

The purpose of the [Fidelity Measures for the SHPG](#) is to evaluate the implementation of grants based on select features of school-wide positive behavioral interventions and supports (SWPBIS). It is a condensed version of the SWPBIS Tiered Fidelity Inventory*, which assesses 45 features.

The Fidelity Measures for the SHPG are divided into four sections:

All Tiers – 5 features

Tier 1 – 4 features

Tier 2 – 2 features

Tier 3 – 3 features

There is also a question about Screening Tools and one about Student Concerns Addressed by the SHPG

Fidelity Measures for the SHPG

Who should complete the Fidelity Measures?

The Fidelity Measures for the SHPG should be completed with input from individuals involved in the grant. Working as a group that represents the SHPG, the Fidelity Measures can be completed by reviewing each feature to come to consensus on the Scoring Criteria for each feature.

What is the schedule and timeframe for completing it?

It is suggested that the group completes this before the mid-year and end-of year reports are due so that the results can be entered into the Results Report. Please complete the Fidelity Measures based on the first half of the school year for mid-year reporting and based on the entire school year for end-of-year reporting.

Can Turn the Curve Thinking be applied to Fidelity Measures?

Completing the Fidelity Measures allows for grantees to use Turn the Curve Thinking for data-driven quality improvement that can be used to improve implementation. Schedule time to do Turn the Curve Thinking before mid-year and end-of-year reports are due.

An aerial photograph of a coastline at sunrise. The sun is low on the horizon, casting a golden glow over the ocean and sky. The water is a deep blue-green, and the beach is a light tan color. A road or path runs along the coast. The quote is overlaid in white text.
