

Handout #4

Video Guide: A Transdisciplinary Play-Based Assessment with Eligibility Meeting Using an Interpreter...Looking Back...

- ***Comfort level?*** Does this parent appear comfortable? What changes to increase comfort level and participation with other team members?
- ***Location?*** Who is sitting across from the parent? Does this change as you watch this video? Does it make a difference?
- ***Participation?*** Does this parent enjoy watching her son? Does she have the opportunity to ask as well as answer questions? What might you consider or suggest to enhance her participation?
- ***Is the conversation strengths based?*** This child was determined eligible for services. Are the results, goals, accommodations, and next steps addressed in the snippets of conversation? Overall, was this a successful interaction?
- ***In summary, What worked for this team, this interpreter and this parent? What would you change? Use your CHAT function to share your observations.***
